the WA
Shetland Sheepdog
Kid
Ch Arajento
Calico Kid

Kid

Points scored in each competition and full results are on our website
www.nationaldog.com.au/tournaments

These winners receive a complimentary 12 issue subscription

We are delighted with the many different breeds filling our top spots, some of them thought of as "rare" and from one side of Australia to the other, the objective of our Tournaments being to attempt to create as near as possible a level playing field because of the geographical difficulties of our vast continent.

To allow for the fact that some States hold no shows from November to March we planned for our Tournaments to run from 1 March to 30 November, with the inclusion of the February Canberra Royal. We will now move the starting date forward to 1 February because there are now numerous shows in the ACT during February.

Do join for next year and promote your breed!
