Our competitions are designed with major emphasis on success at Breed level, and of course there are cumulative points for Group and BIS awards. For our Dat's Our Future, points will be allocated for numbers in Class entered, Minor, Puppy and Junior, (points to be tallied by exhibitor from the catalogue entries and may only be scored from one of the three classes at any one show) plus our formula for in Group and In Show wins.

Point Scoring System - at Breed level, classes per sex only. Bonus points may apply if the exhibit proceeds through Group or Show.

Minor Puppy # Puppy # Junior. Points can only be recorded from one of the three nominated classes at any individual show.

Note: You MUST enter the sire and dam and you MUST also enter the name of the Breeder.
